

ZOKU ROOM FACTSHEET

Explore the cozy Zoku Room: a small (16m² / 172ft²) yet effective bedroom with high-quality essentials: a comfy bed and a great shower. As the little brother of our Zoku Loft, it lacks the kitchen. Being a living/working hybrid, it can be easily adjusted to become cozy, business-like or something in between. The same goes for the choice of art on your walls. If you are looking for a room with a kitchen and sliding stairs, the Zoku Loft or Zoku Loft XL is the right option for you.
